<p>Historic Bridge Tour: all about the building of the famous bridge across Batoka Gorge - fascinating guided tour and breath-taking walk along the old engineers' walkway beneath the bridge, is conducted by a gifted professional Zimbabwean actor who plays the part of the engineer (accent and all). Some facts about the bridge: The Chief Engineer was Mr Georges Imbault, a Frenchman, designed by Mr George Hobson, a partner of Douglas Fox & Partners, London and constructed by Cleveland Bridge Company of Darlington, England. Construction was completed in April 1905. A book about the building of the bridge was published in 2011. 'Sun, Steel & Spray', written by Peter Roberts, available for sale at the lodge office. During the wet season bridge activities may be interrupted by rain.</p>	<p>It can be hot on the bridge during the day, even in winter. Wear good walking shoes and take something a little warmer if it is a chilly day. Sunblock, hat, camera and sunglasses are also a good idea.</p>	Approx. 1-hour	<p>By Reservation Only Ladies advised not to wear short skirts Unsuitable for people with a fear of heights</p>	\$65	<p>Minimum age 6 Full price & minimum weight restrictions apply on Slide</p>
